SUMMER INTERNSHIP

Events & Content Creation Internship

TIME: 30 Hours Per Week

PAY: \$20/HR

Ever wondered what it's like to dive into event planning, social media, and the world of artificial intelligence?

Norwood Development Group, the biggest developer in Southern Colorado, is on the lookout for enthusiastic and inquisitive minds eager to get real-world experience in public event management and content creation.

You'll get to be a part of over 10 public concerts and local events, bringing them to life from concept to execution.

But wait, there's more! You'll also get to spend time both in our downtown offices and out in the field, playing a key role in marketing our diverse real estate portfolio.

Bring your energy and fresh ideas!
